

Olde Towne Crier

Newsletter of the Olde Towne Neighborhood Watch Association.
The Olde Towne neighborhood is the square mile area between
S.E. 15th and S.E. 29th and Sooner Road and Sunnylane.

Volume XII

October 2009

ATTENTION: Olde Towne Neighborhood Watch is now on the WEB! Our address is www.otnwa.net.

You need to use the address bar to get to us. You cannot use a search site, such as Google, MSN or Yahoo, etc. On our web page, you will see meetings, officer information, membership application, vacation watch application and newsletters. There is also a "who to call" page with important telephone numbers for the City of Del City as well as our City Council members. (Our Council member is Ken Bartlett.) There is also a link page with other important web pages, one being the City of Del City.

After you submit a vacation watch application, it goes to the Neighborhood Watch Officers and the Police Department, only. No one else can access this information. You can also mail it to our P.O. Box.

On our Home page, you will also see a patroller's application. We need patrollers to help keep our area safe. If you can donate 2 hours a week, that will help. We provide the lights and signs for patrolling and help with some gas.

If you have any suggestions for our website, please feel free to send them to the President, John Hastings by mail or e-mail. NOTE: You must have "adobe reader" on your computer for forms and newsletters.

John Hastings, President & Patrol Captain

Don't forget to recycle your old newspapers in our recycling bin.

Beware of a car-jacking scam going on. A driver will get into the car in a parking lot and start to back up when he notices a flyer on the back window. The driver gets out of the car to see what it is and a carjacker then jumps in with the keys in the ignition. If the driver is a woman, chances are her purse is still in the car along with her wallet, credit cards and home address.

If you see a piece of paper stuck to your back window, just drive away. You can remove it later when you are in a safer area.

**Olde Towne Neighborhood Watch
Association**

At our September meeting, our new website was discussed. Be sure to check it out at www.otnwa.net.

Our next meeting will be Thursday, October 29 at 7:00pm at the Del City Church of Christ, 1901 S. Vickie. We meet in the Family Life Building. Come find out what is going on in the neighborhood.

Del City Night Out at Eagle Lake

The weather was chilly, but the food, entertainment and fellowship was warm. Music was provided by Makayla Lee, a young performer with a big voice. If you missed her, you can call your favorite country music radio station and request her song, "I Don't Need Your Lovin'".

A woman who is a receptionist in a church in a high crime area was concerned about someone coming into the office on Monday to rob them when they were counting the collection. She asked the local police department about using pepper spray and they recommended to her that she get a can of wasp spray instead. The wasp spray can shoot up to twenty feet away and is a lot more accurate, while with the pepper spray they have to get too close to you and could overpower you. The wasp spray temporarily blinds an attacker until they get to the hospital for an antidote. She now keeps a can on her desk in the office and it doesn't attract attention from people like a can of pepper spray would.

Membership dues are due in January.
Where does your \$12 a year go?

Crime Deterrent: Your dues paid for the "Beware" signs on the major streets coming into our area. Letting strangers know there is an active neighborhood watch warns against suspicious activity.

Patrolling: For years, our volunteer patrollers drove around at their own expense. When the price of gas went so high, we decided to help reimburse for the gasoline used in patrolling.

Newsletter: The monthly newsletter with information about what is going on in Olde Towne and other information you might find helpful or interesting, is delivered to your home. You can also use it to "get the word out" about your church, group or school activities.

Emergency Contact: In the event of an emergency at your house when you are not at home or an emergency when you are at home, but unable to communicate who to call, we have your emergency contact information on file.

Miscellaneous: Occasionally, a school will let us know of a need. Maybe a student needs a pair of shoes or maybe the school needs supplies. We have been able to be there for our community.

We have also responded to other needs in our community, as well as, joining with the other Del City neighborhood watch associations to support our police department.

A detailed treasurer's report is given at each meeting. We would love for you to join us and find out what the neighborhood watch is all about.
